

## Disinfection Suitcase Sprayer

The AQUAOX™ ICS air-assisted electrostatic sprayer efficiently applies our EPA registered disinfecting solutions on and around all surfaces for a complete and effective disinfecting coverage.

- Compact, unobstructive sprayer
- Durable wheeled case with extendable handle
- Includes one ESS Electrostatic Spraygun
- Self-contained. Does not require an external air supply
- Internal tank holds enough solutions for 1 hour application (min)
- Quiet operation
- Non-removable tank with drain hose and valve
