The AQUAOX™ Refillable Wiping System includes a reusable container with 75 strong, unique, spun bonded refillable wipes. The wipes in each canister can be purchased pre-loaded with non-toxic, chemical free Aquaox™ Cleaner 112 or comes dry and you can add Aquaox Cleaner 112 to the dry wipes when you are ready to use them.

When the canister goes empty, just reorder the 6-pack of refill rolls and reuse the durable canister to save money and reduce waste.

Note: Dry wipes requires the addition of Aquaox Cleaner 112 (sold separately or generated on-site by the AQUAOX™ EAW-2 generator). Add 22 ounces of the Cleaner to the reusable container for each new pack of wipes.

DIRECTION FOR USE: Dry wipes: Remove lid and fill container with 22 oz. of Aquaox Cleaner 112. Pull up corner of first wipe from center of roll and push ½” to ¾” through X in lid. Replace lid. Lift lid and pull up wipes one at a time. To prevent excess waste, simply reuse the wipe container, rinse the container with potable water and insert a new roll of dry wipes and add 22 oz. of Aquaox Cleaner 112. **Pre-loaded wipes:** Open lid and pull up corner of first wipe from center of roll and push ½” to ¾” through X in lid. Replace lid. Lift lid and pull up wipes once at a time.

To Clean: Wipe surface clean and let air dry.

To Disinfect: Clean surface with AQUAOX™ Cleaning Wipe, spray Aquaox™ Disinfectant 275 or Aquaox™ Disinfectant 525 on cleaned surfaces and allow to air dry to eradicate all micro-organisms (bacteria, fungi, viruses and spores).

STORAGE AND DISPOSAL

Store filled Aquaox™ Cleaning Wipe containers at room temperature away from direct sunlight and heat. Do not allow to freeze; product may lose its potency. Tightly close lid in between uses to retain proper moisture. Aquaox™ Cleaning Wipes are all-natural and free of preservatives. Best if used within 6 months of opening. After use, dispose of wipe in trash.

FIRST AID

Aquaox™ Cleaning Wipes are non-toxic, but should minor irritation occur, rinse affected area gently with water for 5 minutes.
