

**Sodium Hydroxide solution generated electrochemically from Sodium Chloride.**

Aquaox Cleaner 112 is a non-hazardous chlorine-free liquid formulation that does not produce fumes. Aquaox Cleaner 112 does not contain hazardous “butyl” solvents or other potentially dangerous substances such as phosphates or ammonia and no adverse effects on accidental skin contact have been reported.

Aquaox Cleaner 112 is a 200-ppm Sodium Hydroxide solution that is produced at a minimum of pH 11 and contains the active ingredient Sodium Hydroxide which is known to be an effective cleaning and degreasing agent. Aquaox Cleaner 112 is an easy-to-use cleaning agent, and can be used in medical, institutional, industrial and commercial applications.

**Aquaox Cleaner 112 is a non-toxic, chemical free, all-purpose cleaner that can be sprayed, wiped, dipped or misted. It is a ready-to-use cleaner and removes grease and oil deposits from practically all surfaces. Aquaox Cleaner 112 cleans without scrubbing. It does not leave any residue and will not harm most surfaces.**

**DIRECTION FOR USE:** To remove dirt and emulsify oils and grease on carpets and upholstery as well as hard surfaces such as floors, walls, ceilings, and equipment, wipe, spray, or dip Aquaox 112 onto surfaces with a cloth, wipe, mop, or sprayer. For tough jobs, pour directly onto the soil, wipe and rinse. To clean toilets, pour into toilet bowl and brush.

**STORAGE AND DISPOSAL**

Store at room temperature away from direct sunlight and heat. **DO NOT ALLOW TO FREEZE** because product may lose its potency. After use, seal or close dispenser before disposal. No special disposal requirements. Aquaox Cleaner 112 is eco-friendly.

**PRECAUTIONARY STATEMENTS**

Physical or Chemical Hazards: Aquaox Cleaner 112 is not compatible with other chemicals such as acids and hydrogen peroxide.

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION**

Causes moderate eye irritation. Avoid contact with eyes. When handling the product, wear safety glasses or goggles. Use rubber, neoprene, or other chemically impervious gloves when handling this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.
