

Sodium Hydroxide solution generated electrochemically from Sodium Chloride.

Aquaox™ Cleaner 112 is a non-hazardous chlorine-free liquid formulation that does not produce fumes. Aquaox™ Cleaner 112 does not contain hazardous “butyl” solvents or other potentially dangerous substances such as phosphates or ammonia and no adverse effects on accidental skin contact have been reported.

Aquaox™ Cleaner 112 is a 200 ppm Sodium Hydroxide solution that is produced at a minimum of pH 11 and contains the active ingredient Sodium Hydroxide which is known to be an effective cleaning and degreasing agent. Aquaox™ Cleaner 112 is an easy-to-use cleaning agent and can be used in medical, institutional, industrial and commercial applications.

Part Number: AX-112-V1.1

Lot #: _____

Production Date: _____

Aquaox™ Cleaner 112 is a non-toxic, chemical free, all-purpose cleaner that can be sprayed, wiped, dipped or misted. It is a ready-to-use cleaner and removes grease and oil deposits from practically all surfaces. Aquaox™ Cleaner 112 cleans without scrubbing. It does not leave any residue and will not harm surfaces.

DIRECTIONS FOR USE:

TO CLEAN AND DEODORIZE SURFACES

Apply product on microfiber cloth and wipe surfaces clean. For toilets, flush toilet. Pour product into bowl. Brush bowl with scrub brush and flush. To remove dirt and emulsify oils and grease on carpets and upholstery as well as hard hard surfaces such as floors, walls, ceilings, and equipment, spray product directly onto surfaces. Allow solution to contact surface 1-5 minutes to penetrate and emulsify debris. If necessary, immerse, scrape, wipe and rinse surface with hot water before wiping clean.

TO DISINFECT HARD, NON-POROUS SURFACES

Spray Aquaox™ Disinfectant 275 or Aquaox™ Disinfectant 525 on pre-cleaned surfaces and allow to air dry to eradicate all micro-organisms (bacteria, fungi, viruses and spores).

STORAGE AND DISPOSAL

Store at room temperature away from direct sunlight and heat. **DO NOT ALLOW TO FREEZE** because product may lose its potency. After use, seal or close dispenser before disposal. No special disposal requirements. Aquaox™ Cleaner 112 is eco-friendly.

PRECAUTIONARY STATEMENTS

Physical or Chemical Hazards: Aquaox™ Cleaner 112 is not compatible with other chemicals such as acids and hydrogen peroxide.

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

May cause mild eye irritation. Avoid contact with eyes. Personal Protective Equipment not necessary, but good manufacturing practice recommends the use of safety glasses and gloves when handling this product. Wash hands with soap and water before eating and drinking.

FIRST AID

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center, doctor or going for treatment. You may also contact the National Pesticide Information Center (NPIC) 1-800-858-7378 for emergency medical treatment information.

If in eyes: Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Cleaner 112

All Purpose Ready-To-Use Cleaner

Active Ingredient:	Sodium Hydroxide (NaOH)	0.020%
Other Ingredients:	Purified Water (H ₂ O)	99.98%
Total:		100.000%

**Contains >200ppm Sodium Hydroxide (NaOH)*

Keep Out Of Reach Of Children
