

concentrated
cleaning agent

Concentrated general purpose Cleaner

A non-toxic, chemical free, all-purpose cleaner that can be sprayed, wiped, dipped or misted. *Diluted*, it removes grease and debris from practically all surfaces and cleans without scrubbing without leaving any residue not harming surfaces. *Concentrated*, it emulsifies oils, tough burnt-on grease, and grime deposits on any surfaces.

POWERFUL, SAFE & NATURAL

A revolutionary cleaning solution which active ingredient NaOH is non-hazardous, has no fragrance, and is safe on all surfaces (and on skin)

- Safe for any surface
- Removes and prevents biofilm
- Organic and 100% biodegradable
- Cuts through grease & fats
- Odorless and non-allergenic
- NON-TOXIC & CHEMICAL FREE
- Laboratory tested
- Effective against gram negative bacteria.

1 gallon/128 oz. (6.5"x6.5"x6.5, 9 lbs.)

4 gallon per case (13"x13"x13", 38 lbs.)
